the Adventures Of An Uber Nerd {Part 3- The Painted Milf}

A New Series Chronicling A Nerd's Rise To Sexual Stud Man to Ladies Over Forty

You guys may remember a few stories of this formerly pussy-starved, programming geek...that's right...me...a self-professed uber nerd. My troubles started when I couldn't get any female action while I was still in college. And, then when I did...I limped out with my sort-of girlfriend, and, the whole thing just sent my head spinning.

That's when I decided it was time to get creative: I did things like giving myself a swanky, make-over so I could Milf-troll at a local martini bar. That was a score. Then I weaseled my way into a Milf bridge game: another score. Well, what I found out recently is that it's not really necessary to always con your way into those sweet, Milf panties. No sir. And, it's not really primarily important to be at the right place at the right time...though, that does help.

But, what really matters...just like those babbling psychologists are always saying...is to be prepared when opportunity presents itself. And, now that my big ole cock had satisfied a couple of Milf love holes...oh, yes sir...I'm ready for any Milf who crosses my path. I'm now getting unexpected pussy!

See, the other day...it was a Saturday afternoon, and, I was driving back from an out-of-town programming conference. I had spent the last couple days wrapping my intellect around new and controversial techniques to debug PHP 5. My mind felt like it had been deprived of water and dragged through a desert! I was tired!

The summer sun was blasting through my windshield and my air conditioner was broken. I was passing a large wooded area when I noticed

a sign that said: Paintball Tournament Today! Now, in my former, pre-Milf-pussy life; I would have just cruised on by. But, like I said...my newfound confidence was infectious...it had saturated every aspect of my psychology! So, I pulled into the parking lot, walked into the office, and greeted a redhead in her forties with her tits bulging out of her tank top! Oh, good Lord...things are off to a good start!

She told me that a tournament was in progress, and, she gave me a blue shirt to wear and a paintball rifle that fired blue paint pellets. I was now a proud member of the blue team, and, in my nerdy fantasy, I pictured myself as a computer-programming John Rambo as I ran into the woods. The summer air filled my nostrils, and, I was feeling better already. I saw a clump of bushes ahead, and, full-speed, I dove into them like a football player leaping into the defensive line.

Ah, shit! A branch jabbed me right in the crotch...it really poked my nerdy ball sack! Ahhhh! I tried to force the pain out of my mind. After all, this was combat! I was at war! Pain goes hand-in-hand with war! If this were 'Nam, you can bet I wouldn't let an injured ball sack slow me down. I peeked through the bushes and saw my comrades ahead. One team had on blue shirts like me, and, my enemies had on red shirts. They were stalking

each other, and, suddenly there was a skirmish and I saw my blue comrades taking heavy hits.

It was my duty to come to their assistance. I forced myself to my feet, and, I started hobble-running towards the combat action. Christ, my balls hurt! I had taken about ten limping steps when there was a scream over my head...and, then a heavy weight on my back...and, my body and face got smashed into the ground! What the fuck had happened! I rolled over...and...and...there was a blond Milf on top of me in a tight red teeshirt. Even in my pain and confusion...those huge tits captivated my mind. The blond Milf had been hiding in the branches of a tree and she ambushed me! This was some serious paintball guys!

And, now her knee was pushing into my crotch!

"Aaaaaaaaah!" I screamed. "My cock's already injured."

"I don't believe you," she said. "The enemy will tell any lie to escape."

"What the fuck kind of paintball is this?" I asked.

She was silent: her rifle pointing at my face. I surveyed her blond hair which hung past her huge tits. She was leaning into me, and, I got an upshirt view of her deep and marvelous cleavage: like a crevice of the Grand Canyon. I wanted to put my face in there and

never come out.

"On your feet," she said. "I'm walking you to the prisoner camp for interrogation."

I tried standing, but, I just as quickly toppled like a house of cards in the wind.

"Where are your injuries?" she asked.

"It's my cock," I said. "First a tree branch jabbed my balls...and, then you jammed your knee right into my dick! Not to mention how you nearly broke my back when you dove on me from a tree!"

"Remove your pants prisoner," she said. "If you're lying, I'll shoot you in your handsome face."

Holy shit. She said my face was handsome. Funny how one little compliment allowed me to forget the bizarreness of the situation and how she had just brutalized me! I pulled my pants down, and, with a scientific coldness, she put her hand on my cock. She got down on her knees to get a close look.

"I see some bruising around the testicles and thigh...with some minor injury to the penile shaft," she said.

And, I'm not going to lie...I felt my injured funstick getting a little tingly. I glanced down again at her awesome cleavage.

"I'll need to perform some first aid," she said.

She opened her backpack and removed a small cooler. She took some ice cubes out and held them against my rod. The ice slipped out of her hand.

"We'll need a different technique," she said.

She popped a few ice cubes into her mouth, and, then she inserted my stiffening love rod in her mouth. The sensation of her mouth's heat and the ice was delightfully maddening.

"Ooooooooooooooh!" I moaned.

She just continued sucking away. My cum rocket was now fully engaged, and, I thought about reaching down to squeeze those watermelon tits...but, I held off. When the ice was fully melted, she let my member pop out of her mouth.

"Try walking now," she ordered. "I'm getting you back to camp one way or another!"

Now I had an idea. I took two steps and then purposefully fell on my face. She came nearby and pulled a blanket from her backpack which she spread on the ground.

"The injured area's going to need a hot compress," she said.

"Who has a hot compress?" I asked.

"Me," she said, pulling her pants off. She had on a

camouflage thong which she pulled to the side. She pushed me onto my back, and, in a blink she mounted my cock!

"How's the temperature on the injured area?" she asked.

"A little hotter please," I said.

And, with that she started riding me like a crazed cowgirl on top of a bucking bronco. Her double D tits were obviously natural. How do I know? They were flopping around like balls of jello underneath that red shirt! I reached up to grab those fun bags but she slapped my hand away. Instead, she started moaning...and loudly! Like a pregnant lady giving birth I'd say. And, then to my dismay, she let my woody flop out of her hotness.

"There's a certain amount of collateral noise needed for this first aid," she said. "We must safeguard our position from enemy fire with further camouflage."

And, at that she pulled green, black, and brown paint tubes out of her bag; and, she proceeded to smear the paint all over my chest, back, arms, and legs.

"I'll need you to apply the camo to me," she said.

Oh, eureka! Finally! I squeezed big paint gobs out and where do you think I went first? That's right. I put my paint-filled hands around those massive Milf tits! Then I smeared the paint over her blond pussy bush. And, without a word, she was back on my cock like a kid on a beloved pogo stick! I figured it was time I started talking a bit.

"Oh, fuck me! Fuck me! You God damn gorgeous Milf! I love your pussy!" I yelled.

"This is necessary first aid," she moaned, her ass furiously slapping my thighs as she continued riding up and down.

Wow, she was moaning now like an inmate at the lunatic asylum. Then she started getting into the playful Milf talk.

"Oh, pound my Milf pussy with your big, young cock," she moaned.

I looked at her painted tits flopping around as she rode me. I grabbed them and flipped her over to her back. I pivoted between her legs on my knees and plunged my pleasure stick into her cavern.

"Oooooooooooooh, that's it baby," she yelled.

Then, I started really bucking, and, I was mesmerized by the way her breasts furiously bounced around. And, now she was actually screaming. Here I was making a Milf scream in the woods beneath this hot, burning sun!

Then I started screaming. But, in pain! I had a sting-

the Adventures **Of An Uber Nerd {Part 3}**

ing pain in my arms, chest and belly. I looked down to see red paint spatters. What the fuck! I looked away from the Milf's tits to my right, and, I saw a tall, red-haired Milf in a red teeshirt aiming a rifle at me.

"Disengage from our comrade Julia!" she ordered.

The Milf beneath me looked at her and said, "Hillary, you dumb twat. He's fucking me! I want him to fuck me! Get in line and wait your turn!"

Hillary smiled and she got behind me and started massaging my shoulders as I bucked Julia. Oh, so Julia was her name! There's nothing like fucking a smoking-hot, blond-haired Milf for thirty minutes before even learning her name! As my cock made slurping noises going in and out of this Milf's twat, I thought to myself that I may not be such an uber nerd anymore. I squeezed Julia's tits and fucked as Hillary massaged my chest and back...and, you know what? My cock didn't hurt so much anymore.

"Wonderful first aid Julia," I said. "Now, keep fucking me Milf lady!"

I guess this dirty talk got Hillary hot because she pushed me off Julia. Hillary flopped down and spread her legs wide. Oh, good Lord. A red pussy hair bush for the taking. What's an uber nerd to do but insert his dong into that crimson heaven? And, that's what I did. Julia stood over top of Hillary and ground her well-used pussy into my mouth. Oh, you know I was about ready to pop. All that fine Milf pussy...a guy can only take so much.

"I'm going to explode!" I yelled.

And, these two Milfs madly scrambled so they were both on the blanket beneath my dick which suddenly seemed like a magic wand hovering above their heads. All of the action had really built an insane torrent in my loins, and, my cum rocket fired. First I splattered Julia's face. Next I pointed it at Hillary and covered her tits. Then I slapped my tool against Julia's big tits. Oh, it was glorious. We fooled around some more, and, when I finally left I passed the lady at the front desk. She had a filthy smile on her face.

"You have fun today hon?" she asked.

"I got more than I bargained for," I said, smiling.

"It was the annual Paintball Battle of the Housewives," she said. "I made an exception in letting you enter; but, I thought the girls might appreciate that."

"They're not the only ones!" I said.

Sabrina King is the sort of MILF who exudes sexual potency from her every pore. You look at Sabrina down on her hands and knees...with the cowgirl hat, dazzling smile, and huge jugs hanging down and there's just no mystery about what this gal wants. She wants you to snuggle-up right behind her, yank her shorts down, put your cock in, and fuck away while spanking her beautiful ass and yelling, "Getty up cowgirl!"

That's what's so cool about Sabrina. There's no artifice or game-playing to her. She's a straight-forward Milf who tells it like it is...and, she tells me that she likes her men, "honest, hard, and willing to fuck me twenty hours out of the day." Dr Sabrina returns with some words for you

Dear Dr. Sabrina,

I was browsing through one of my old 50+ magazines when you stated in one of your articles that when you go through your mail you sometimes pass on the letters to some of your women friends who are looking for prospective gentlemen to get laid. Well, Ma'am I am very prospective and looking for a wonderful woman to enjoy life with. I am sex-starved, still trying to quench my sexual appetite. Love big tits. Love exploring beautiful bodies. Tired of the bar scene and internet. Met nice ladies, but never found that special one.

I am 6' 3", teddy bear, 59, Capricorn, retired military. Worked at resorts in Las Vegas and Laughlin. Will be back in Vegas in Early '09. Will send pictures if wanted, but sometimes a surprise is nice, too. All women are beautiful. Would love to correspond with any of your lady friends that show an interest. We could lay the ground work for some exciting times. I will be as discrete or plain as they like, and hope they will be as honest with me. I am not into games. I love looking at beautiful women that are not afraid to show what they have. I especially love the 50+ women that still enjoy sex, because I do too. I am a tight butt and tit man, but appreciate the total package. Hope your friends need a lot of loving, because I have a lot to give. Hope you can help me. By the way Doc, you are a hot babe, WOW!

— J.E., Nevada

Well, first of all, thanks for the compliment. I bet your a babe, too. I'm glad to read that you find all women beautiful, that is an important attitude when it comes to connecting with women of any age. But beauty is more than skin deep. You must take all they offer and find beauty in all of it. J.E. you may never find that "special" one, unless she just drops into your lap one day. Look for the best in the women you do date and they will find the best in you.
— Dr. S.

Dr. Sabrina has some wise words for our readers. She tries to make sense of love, sex and what women want from their men. If you have questions about the opposite sex, then Dr. Sabrina has the answer. Read on!

Dear Dr. Sabrina,

I am a male, aged 59, who has a great appreciation of older women in the age range of 50 to the early 70s. I don't mind a few extra pounds, which I regard as well-deserved beauty fat at our age, as long as it is not a circus act. Don't mind wrinkles either. I tried to hit upon some women at work, always to find they are either married or have boyfriends. I must always remain discreet, as I do not want to lose my job in this bad economy.

I adored your Missy Mercedes in 50+ Vol. 8. Please let her know she has fans. I would love to see more of her in another issue of 50+, notably her ass and bare feet. If she appears in another issue, let me know so I will be sure to get a copy.

I always hear that there are no eligible men out there. Well hell, I'm having a hard time finding older women who have no strings to family. I don't care how many times they've been married or how many children they may have had, as long as they are now free.

Looking for a lady to worship as a queen.

— Bill from New Mexico

Bill, you sound like a nice guy. You seem willing to accept a woman for who she is as well as what she looks like. You know it's not a good idea to hit upon women at work. Not only does it jeopardize your job, but theirs as well. You must go where the women are in the age group that you seek.

In New Mexico there are many art fairs, hot air balloon festivals, and (believe it or not) the NM State Fair. At your age, you do not need bars or the workplace. You have the experience and maturity to think of where and how to meet women by yourself. Come down to earth. Do not look to worship women, but look for the ones that may be in your back yard.
— Dr. S.

*Fan fave April Sky returns with
a sizzling pictorial and secrets on
staying young at heart*

One of our readers' favorite models is the voluptuous and sensual April Sky. Due to the overwhelming response to her pictorials we're pleased to bring her to you again. With her soft curvy body, angelic face and attitude of a naughty vixen, it is easy to see why she's a perennial favorite. For this issue, we were able to get a few minutes with her to ask some rather personal questions and see if we can learn more about this wonderful creature. So sit back and let your imagination do the walking.

EDITORS: It's been a couple years since we last saw you. Can you tell us what you've been up to?

APRIL: I've been very busy. My grandchildren come over every weekend and I love to spend time with them. And I've been doing more modeling. I just love the camera and I hope that it loves me.

ED: We're sure that the camera loves you. Your smile is captivating and your body – well it is, too!

APRIL: Thank you, that's nice of you to say. I've been trying to work out, but it's tough to maintain a routine with my schedule. It seems the older I get, the less time I seem to get to pamper myself.

ED: We first ran your first pictorial a couple years ago. You don't look older. You look just fabulous!

APRIL: That's nice of you to say. I've got a young boyfriend and he keeps me young. We work out together, we cook together, we like to go dancing and, of course, he's great in the bedroom. (smiles)

ED: You may have found the fountain of youth. Can you share some of your sexy bedroom secrets?

APRIL: I'll tell you some of them, but I can't tell you all, Okay? First, we get in the mood with some romantic music and a glass of wine, or two. That may sound like a cliché, but women really like that. We talk for a while and then some long, soft kisses that get us both deeper into the mood. I cannot stress how important kissing is. You have to go slow, Enjoy it. Let the feelings take over.

APRIL: Then we start foreplay. Just gentle touching and caressing. I especially like my nipples pinched. Not too hard, but a little tweak here and there and it shoots a sexy sensation down my whole body. And when he uses his tongue and teeth on them, I feel crazier sensations through me.

APRIL: By now our clothes are off and the wine glasses are empty. He likes to go down on me ever since I shaved my pussy. Now that really makes me feel younger. It feels so smooth and he likes the way I taste. He usually starts the oral, but I like to push him away so I can suck his long cock. I've sucked many cocks so I know what he likes and I do what I can to please him.

APRIL: Then the real fun starts. I like mish and he likes doggie. But any position is good as long as he is deep inside me. That is not only a hot and sexy feeling, but a warm and loving feeling. Sex is fun, but sex with love is what life is all about! We sometimes cum together and I lick his cum. Mixed with the taste of wine and his cock, it's another level of arousal and fulfillment.

A woman with blonde, wavy hair and large hoop earrings is leaning over a wicker chair. She is wearing a black high-heeled shoe and a black bracelet. The background features a wooden lattice with green plants and a pink wall. The text "April Sky" is written in a yellow cursive font, with a green leaf graphic below it.

50+ YEARS TOGETHER

and it's so much hotter than ever!

Adriana and I have been married for more than 50 years and things just keep getting sexier. She is a brown haired beauty with big breasts that sag a little from the years but she still has an ass to die for. She's still sexually curious and loves to do anything unusual, making our sex life full of surprises. For a long time our favorite activity was for Adriana to sit on my cock pretending I was another man.

She'd tell me stories about how much younger her fantasy man was than me, her husband, and so I'd respond as if were her imaginary lover, telling her how beautiful and what a hot pussy she had. Over the years these playful encounters began to effect me and I couldn't stop fantasizing about Adriana making it with another guy. I asked her many times if she would really like to have sex with another man, but she said it's just for our fantasies. One evening while I'm fucking Adriana's gorgeous ass, I began telling her about what I'd been fantasizing. I explained that Harry was this young stud at the office, and thought he'd be hung. As I told Adriana that he always seemed like he was always talking about the women he fucked, she began to moan harder. I buried my cock deep inside her cunt as I began to describe his deep brown eyes and powerful build. As I finished whispering in her ear, she pushed her ass up against my hips and cried out, "Fuck me harder, Harry!" Adriana came for what seemed like five full minutes, and it that drove me wild. Hearing my wife call out for another man's dick made me fuck her even harder. One time I fucking her so deep, she began begging for it to be Harry's cock. The next day at the office I was supposed to bring up her fantasy to Harry. It was difficult for me, but somehow I thought he would go for it. Harry had met Adriana once before and he had made a comment to me about how sexy he thought she was. I got kinda angry but did not say anything too him at that time. I've mellowed a bit since and find him actually refreshing.

While I was having a business lunch with him, I suddenly found myself asking if he thought about fucking my wife. He did not hesitate to say, "I've been wanting tell you that your wife has one of the greatest asses I've ever seen. I would love to fuck her." Strangely, I found myself really enjoying the whole process of talk-

They say wine gets better with age. Well then my wife has to be one fine wine.

We just celebrated our fifty-first year together and I had quite a surprise for her.

ing to him about fucking my wife. Over the next month my mind would wander to the two of them fucking each other's brains out. As for me, every time I fucked Adriana I knew that Harry would soon be enjoying what I was having. One Saturday Adriana asked if we could invite Harry over, so I gave him a call to set it up. I called and left him a message extending the invitation. She looked at me a little sheepishly, and then smiled seductively. I knew what she was thinking so I followed her into the bedroom and watched her look through her lingerie drawer trying to decide what to wear. Her tits swayed from side to side as she rummaged, and I couldn't believe that Harry would soon have his hands on them. I wanted to fuck her right then, but I decided it was better to save her for Harry.

Harry had returned my call accepting our invitation to dinner and some "fun" afterwards. Adriana said that she was a little anxious about his coming, and asked me if I could leave her alone with Harry for a while until she felt relaxed enough. When she felt comfortable with him, I could join in the action once it got going. I was fine with that and imagined myself walking in on Adriana offering Harry her pussy and it made me hot as hell.

Adriana was dressed and ready when Harry showed up. He came in and sat down and I offered him a drink, then told him I had to run an errand for an or so. I asked if he would just wait for a minute and said my wife was finishing dressing and she would come down. After I left, Adriana came out of the bedroom wearing a sexy button-front black dress which showed off her fine body. I drove around for about twenty minutes and pulled over to an adult bookstore. I parked and went in to look for anything that would further get me in the mood. I found a magazine and went back out to my car. I took it out of the bag and there within the first few pages was a layout of a younger man and an older lady. And it was hot. I instantly got aroused as I thumbed through the pages. I rubbed myself but held off, keeping my goodies in until I was back with Adriana and Harry.

I returned to the house and felt my legs go weak. I had never done this before and the expectation was making me nervous. The blood was rushing out of my brain and into to my cock as my mind was flooded with a variety of naughty ideas. As I walked up the driveway I really didn't know what to expect. Maybe the chemis-

try wasn't right between them, or maybe they had run off together! I couldn't wait to see just what if anything, was happening in the bedroom. When I opened the door, I was surprised to see Harry and my wife were stark naked in the living room. The dinner was sitting on the table getting cold, but the action in the living room was heating up. What I saw first was Adriana's bare butt. Her back was to me and she was squatting over Harry, who was laying on his back on our fine Oriental rug. From where I was standing I couldn't see his face, but his big cock was sticking straight up, waiting for my willing wife to lower her pussy onto it.

Adriana heard me come in and turned her head and gave me a sly little grin. She didn't seem like the shy wife I left behind an hour ago. I came in and saw Harry helping himself to her ample breasts, fondling and sucking them. Harry noticed me but did not miss a beat as he trust his cock into my wife's pussy. From my vantage point, I got the full view and it made me even harder. I quickly unzipped my pants to release my fury and started stroking myself. as he thrust himself into her she threw her head back and moaned, reminding me out our passion. I disrobed completely and moved closer and watched them as Adriana's pussy sucked in his long tool. She bent over him more as if to offer me a better view of her ass and I sat down to watch as his pumping inside her stretched out her pussy and made her butthole open and close in an inviting pucker.

After a few minutes, I could not contain myself any longer so I got up went around to the front of them I offered my throbbing dick to Adriana's mouth and she took it hungrily. I could not believe the feeling of her mouth around my cock because I had been waiting for a month for this. I somehow knew she was going to like it – and I was too. She reached up and grabbed my balls, which seemed like they were about to burst, she slid her mouth up and down my shaft, taking the head with her lips and flicking her tongue on it. In between licks she kept crying out about how big Harry's cock was, and every time she said it I thrust my dick deeper into her mouth. Harry looking at her lick my balls and thrust himself into her pussy even harder. I grabbed her big, soft breasts and pinched the nipples making her give out soft little groans of sweet pain. Harry's hands probing her puckered butthole as he pulled her hard against him. He stuck a moist finger in to the knuckle and as she moaned and grimaced, he shot his hot load into her pussy. I couldn't hold myself back any

I grabbed her big, soft breasts and pinched the nipples making her give out moans of pain.

longer and I spurt my load into her mouth. I was suck a big load, it came dripping out of the corners of her mouth, but the trooper that she was, she licked it back in with her tongue. She then got off Harry and turned around to find his still hard cock and began to lick her own pussy juice off it. I couldn't believe my luck, but I started getting hard again as I watched her lick his shaft and balls clean of his jizz. Adriana took him in and began deep-throating him, swallowing so much of his erect dick that her chin was jutting into his big pink balls. Her mouth was stretched to it's fullest, and she was gagging trying to get it all in. Not missing a beat, she began fondling my balls with her left hand, while she did the same to Harry with her right.

Adriana was on her knees, her head bobbing up and down on his dick, both hands busy fondling four balls. She would deep-throat me in our private sessions and now to see her doing it to Harry made me even harder. He was grunting now, shoving his dick deep into her mouth, making it disappear up to his balls. She moved her hand to my cock and began stroking me in sync with her mouthing Harry's cock. Somehow she sensed both of us about to cum again and she picked up the pace. Harry arched his back and I squeezed her hand on my cock as we both came at the same time – for a second time. This was unbelievable. I cannot remember when I came twice within an hour. Even more cum was shooting out of my dick as I watched her swallow down Harry's jizz. We finally too a break. Adriana went to clean herself up, while I fixed the three of us some vodka martinis giving up on the cold dinner sitting on our table.

We sat naked in the living room enjoying our drinks and conversation and reliving the evening's excitement. After a while Harry said he had to go, but had a great time. He got dressed and I told him I would see him at the office as I closed the door behind him. I turned back to Adriana as she looked at me and asked if I had fun. What a silly question, but I could not tell her that the climax of it all for me was watching Harry fuck my wife. While we have not made it with Harry again, there is another young stud at the office I just might invite home one day. I mentioned that to her but Adriana smiled and said that maybe next time we could try it with a woman. She said she has had this fantasy for more than fifty years and she is finally ready to try it. I smiled back and said that'd be fine by me! Let me tell you, that would be worth waiting fifty years for!

FROM OUR READERS

daryl

Dear 40+,

It's really uncharacteristic of me to write into a mens' magazine. But, I've got two words for you: Lake Russell. When I see a dark-haired beauty pulling a leopard print bikini to the side...exposing a delectable pussy for the world to see...while, those cute little nipples are standing at attention...well, that's enough to put some permanent pep in my step if you know what I mean!

I had to write because I know Lake will see this! Lake, I love you! I want to hop right into your leopard bikini pictorial. I want to push my face right against your bikini bottom. First, of course, I'd kiss your lovely mouth and play with your hair and knead your perfect ass like pizza dough! Oh, I'm sorry Lake for getting a little crazy; but, a Milf like you just doesn't come along very often Lake!

I'm a wealthy bachelor living in rural Washington State. I made a fortune off of computer software development, and, I'm looking for a Milf just like Russell Lake to keep my cock warm during mean winter nights. Lake, will you be mine?

William D.

Concrete, Washington

Well, Billy D., there's a long line of swinging guys asking Lake to be theirs...but, you do seem to be a happening bachelor. And, you do have the whole pizza dough technique going for you. ed.

Listen up 40+,
Listen, get Daryll Hannah over to my house. Right now! Okay, lol...I'm kidding. But, to the creators of 40+, I've got to tell you that what you're doing to my cock just isn't right! I mean...seriously...a woman like Daryll Hannah...a blond, pretty baby constructed like a brick shit-house...well, you put pictures of that woman in front of a virile stud like myself and there's going to be a reaction: like me having a permanent ten inch erection in my parachute pants man!

Daryll looks just like how a woman's supposed to look. I love how she's a sexy, slender woman and still has an ass that's all that plus a bag of chips and a Snickers bar! Oh, Daryll...it might not be sub-

tle or tactful...but, I love your ass! I love your fucking ass Daryll! I just want to put you on your belly flat on my waterbed and mount you and just start pumping away. Believe me, Daryll, you'd love it and have multiple orgasms...and, you'd might even want to marry me. If only I can have a chance to prove myself. Please let me prove myself!

Tommy E.
Yarmouth, Massachusetts

Tommy, I think Daryll's ass is all that plus a bag of chips, Snickers, and Tasty Cake! Huh? What do you think of that Tommy? Huh...top that man! ed.

40+ Magazine,

prison! I'm one of them. Anyway, I traded one of the prisoners a pack of Marlboros for a copy of 40+, and, that's when I fell in love with you...you Goddess!

See, Houston, I was a stock broker and they got me for some alleged insider trading. When I get out, which will be in two months, I still got my estate and fortune and Mercedes waiting for me. And, Houston, I want you in that Mercedes next to me. I want to drive through this upper crust neighborhood in Maine with you sitting by my side. Of course, I'll be squeezing your tits and enormous nipples the whole time. The tingle on your nipples will get your horny pussy wet, and, your head will slide down as you start sucking my massive member. At the stop light, I'll explode in your mouth, and, we'll go to a bistro for some wine and escargot.

Houston, please wait for me baby.

Jerry A.
Windham, Maine

Jerry, you sure seem to appreciate Houston's tits. I was wondering, though...you got any stock tips for me big boy? ed.

lake russell

Dear Jordan,

Hi, my name is Jeff from San Antonio Texas. When I first pick up my first issue of 40+, I saw your huge, beautiful tits...and, I marveled at how enormous your nipples were...they are the size of God damn coffee saucers. I laid on my bed and got the lotion out and put it all over my big cock. I lay jacking off to your hot photos...wishing I was licking your sweet, hot, pink pussy.

I love the way you spread your pussy lips apart. Your pussy looks so juicy and I want to suck it and have you cum in my mouth. And, I want you to suck my big, hot cock. And, I want to suck your tits all day. I would love to spread your legs wide open and suck your hot, pink pussy all day until you came in my mouth four or five times. My dream is to make sweet, passionate love to you all day and night.

I'd love to have you suck my cock while I lick your toes, your pussy, your tits, and your asshole. Do you like your asshole licked? I have a strong feeling you do. Then I'd have you slowly ride my cock. I would shove it in you until I hit your G-spot. Right now as I write to you I have my big, fat, white, hard cock in my hand jacking off to your photos. Uhhhhhhhhhh! I just came all over your face Jordan! Did you like that? You've got a wide load of my jism in your mouth right now you beautiful baby. Slurp it up.

Oh, baby, I love you. Are you ready for doggy style. Okay, on your knees. Do you like that?

Jeff
San Antonio, Texas

All right, Jeff, you've got it all planned-out in detail. But, don't hurt yourself now old boy. .ed

Letters From Our Readers

Comments on the magazine, the sexy ladies, and their thoughts on sex. These are real letters from our readers who let it all hang out!

Dear 50+ magazine,

I'm a 32 year old male and I been sleeping with my 78 year old grandma-in-law. This been going on for a year & a half now, her name is Connie, she's good in bed and satisfies me to the bone. It started off one night when she allowed me in her room as I locked her door behind me. She had been wearing on opened nightgown with her big boobs exposed and only panties underneath. As I talked to Connie, I placed my hands on her shoulders attempting to give her a massage. She let me put my hands on her body as I worked my way bellow, massaging her back then her waist. I gently put my hands on her sagging boobs caressing them, moulding them, and fondling her great wrinkled body. By then she became putty in my hands & her body was mine. I had her legs over my shoulders as I seduced her the entire night tongued her simultaneously as I had my hands all over her body. As I had her legs over my shoulders, my thrusting her in motion, there was knuckles cracking from her legs, and joint cracklings from her legs too. As I fucked her, I had her stretched out in the open like a wishbone, as I was between her legs the whole night. The bed rocked back and forth, pounding loud and her loud moanings were the only sounds in the house. She told me I had reopened her pussy her hole very deep but good. I must have knocked her socks off when I had anal sex with her, because she became very quiet for moments. I put my dick in her ass, stuck it in, I stared at her and Connie had her mouth open and her eyes were rolling inside out, telling me to leave it in there because it felt so good. I popped her anal cherry and till this day we still have sex as manic as that first day. I love Connie and she loves the sex more and more. But every time we have anal sex, I stick my dick up her ass she's quiet in paradise and lays

there with her mouth open and her eyes rolled inside out but tends to doze off because my dick is inside her for hours. She tells me it feels so good, she can fall asleep during intercourse. We have the best sex possible, but I want Connie the same; she is so addicted to me but never wants me to go. We were caught many times in bed together by her family but it never bothers her because the sex is too good.

— Danny, California

— Danny, You sound like quite the happy camper. Your adventures into the mature are interesting. We just hope you don't meet our grandmothers! — the Editors

Hi Mitzi,

My name is Ronnie. I saw your address in care of. Hopefully this letter will get to you. Anyway, the reason I wrote you is I haven't ever wrote to any women from a magazine, but I just had to write you. Your beauty is mind-boggling. I usually have to limit myself at looking at your layout. Sometimes while driving, your photos fill up the windshield in my mind;

you know how daydreaming helps get you through the day; well you helped me. Anyway, I'm not going into details, but just to be in your presence would be a dream come true.

— Your #1 fan — Ronnie, Virginia.

To the Editor,

I'm retired and work part-time in a bank. Ever since I had my first experience with an older female at 20 years of age, it some best sex have had.

One night I was cleaning bank as normal when I hear someone downstairs, so I went down to see what was going on. To my surprise there was the manager Maggie laying on the couch naked, sliding a dildo in and out of pussy. Maggie is a good looking woman early fifties, nice 38 D tits, a little chunky. She was oblivious to me watching her. I stood there several minutes, my cock stiff. Maggie noticed me, said why don't I come here. I didn't think twice, come over to her. She sat up and undid my pants and slid them down taking my cock in her mouth sucking on it making harder. Maggie laid back on the couch leg wide open and screw now in second I was naked and between her leg and slid my cock into until all of cock up her hot wet pussy. I plunged in and out of her, banging my balls against her soft ass cheeks. Maggie wrapped lag and me bucking against me as was cumming. I was here banging her until I shot my load of juice up her fucking soaking wet pussy until I went limp. After catching our breath, wee both got dressed, she went home and I finished cleaning the bank.

Everything went on as usual for about a week. Maggie was working late one evening and she was wondering if I eat pussy as good as you fuck. I want to find out. I said, well there is only one way to find out. Maggie did not mince words. She said I will be off tomorrow,

come over to my home after 9am. She gave me her address. The next morning I was with her in the bedroom. Both of us naked. I went down and ate pussy, nice and plump and pink, licking and sucking her clit over and over until she was cumming. I slid my tongue in her pussy and Maggie was moaning and pushing pussy against my mouth. She let out a moan and fuck me. I was more than happy to taking her legs over my shoulders and shoved my cock deep into her, fucking her, pounding her, her tits bouncing, her pussy tightened around my cock as she was cumming and she said don't stop. I did not until I exploded and filled her pussy with my cum and went limp.

Maggie still wanted to fuck. Maggie sucked my cock hard again, she straddled me and we fucked until we both came. We got cleaned up and then I had to go so I showered and dressed. Maggie put a robe on. Before I left, Maggie said she wanted to meet once a week. We made arrangements because both of us are married. That is why I have always loved sex with an older woman. They know what they want.

— One of our ex-office workers did a stint as a bank security guard also and had a similar experience. Dear 50+

I've always thought younger women were more sexy and attractive, but I've got to admit Victoria is beautiful, sexy and has beautiful breasts nipples and a beautiful vagina. She is a 10! Betty has sex appeal a beautiful vaginal and more sex appeal. Tessa is sexy, Lake Ausel is beautiful and sexy! Heather has a beautiful face, nips, vagina and rear cheeks! Heather is a 10 with her desirable hair and body. Diann is okay. I like

HAROLD - HERE IS ANOTHER PHOTO OF PHOENIX FROM "MEET PHOENIX RISING." WE AGREE THAT SHE IS A FOX AND HOPE SHE TURNS YOU ON AGAIN. WHILE YOU DON'T SEE HER SWEET PUSSY, YOU HAVE TO ADMIT THAT SHE DOES HAVE SOME MIGHTY FINE BREASTS. — THE EDITORS

her breasts, nips and vagina. Dianna is a 10!. Will be looking for the next issue. Thank you for beautiful nude women! Enjoyed the DVD, too!

– Mike, North Carolina

Gentlemen and Ladies,

Last year in 50+ magazine, Volume 11, on the next to the last page you had a picture of “Meet Phoenix Rising” in a shower showing her pussy area. You stated in that issue that more pictures of her would be in the following issue of 50+ magazine. Unfortunately I missed the next issue because of the current economic recession. Is it possible to get a back issue with those pictures and the article about Phoenix. I hope she is single? In my past letters to you, which you keep on file, you know my personal background which I won’t repeat in this letter. Man, (Ladies), Phoenix is beautiful! With a small fixed income, which I know women are not exactly thrilled about, if Phoenix ever pulled me into a shower even with my clothes on, I would put my arms around her, kiss n hug her, and then get on my knees and give her the best oral sex she could imagine. If she is single, I would propose to her.

My home is over 45 years old and needs remodeling such as new carpeting, etc., as a lot of homes do. But with the current economic situation, being unemployed for 9 years and living on a small fixed income right now, I’m only doing the repairs that are necessary. In general, the house is in good shape, but like everything else, there is always need for improvement. I could afford without trying to live like the Joneses, and be happy, financially and sexually. Unfortunately for me, if a man like myself is not 100% financially wealthy, women do not want to be with him at any time. That’s why I call myself sometimes The Loner Ranger. Anyhow, I hope to hear from you and I’m enclosing a .42 stamp for your reply letter.

– Harold, Ohio

Dear Betty , c/o 50+ magazine,

My Boyfriend collects pornography and one day while he was out of the house I found his collection. Wow! As a 50+ woman, I did not think this would turn me on, but now I check people like out when I am alone at home. I have to tell you that I am about 5’ 2” and full-figured enjoy sex with my man, but when I see your pussy spread and that blonde hair around your cunt something tingles for me. So I thought about all this and one day told my boyfriend what I had been looking at and mentioned your name and pussy. Right away he knew the pictures

them [*Consider it done!* – Ed.] And I just have to say thank you for putting or doing a layout of Shablee. And also would love to see Hilary the 57 year-old from Providence, Rhode Island and Myrtle, the 55 year-old from Kalamazoo, Michigan and also Xena, the 54 year-old from Palmdale, California and Kissandra, the 55 year-old from Austin, Texas do a DVD 50+ layout together on one DVD. They are my most favorite models. Please do a DVD layout for the next 50+ magazine. And please bring back Dr. Sabrina [*Consider that done, too!* – Ed.]. Well, I’ll keep reading your magazine always. I just love it. Keep up the great work!!!!

– Thank you, Jay from Atlanta

Dear Lexi Carrington,

Hi! You are a very hot woman. Saw your layout in 50+, Vol. #10. Sex is a way of life for me too. I’m also from California, San Francisco Bay area. I am in my 40’s and am way better than any young fluff little boy. I would love to fuck you in your next live internet show. So please write me back real soon, and let me know when we can do the web site sex thing.

– Thank you, Jay from Atlanta

Jay included this little note along with his letter. We’d like to tell him that Lexi touts herself as the Number One MILF on the internet. Contact her at www.lexicarrington.com. Good luck Jay. You the man! – the Editors

I was talking about because he “wacks off” to your photos at least twice a week. So we talked it over and we went to buy a video of you if it showed lots of pussy pics from between your legs. Got any? Please reply soon!

– Love your cunt. Him & Her, New York

Dear 50+

Let me just say that how much I enjoy reading your magazine. Your last issue (50+, Vol. 10) is just great!!!! You did a layout of a woman that I love to see sooooo much. Shablee. She is hott!!!!. Please let her do a DVD layout next time. And also you need to put back in your magazine the Letters page. I like reading

P.S. I would love to hear from you soon. I really would love to meet and hook up with Shablee and Suzanne. I just love those two so much!!!! Please let them do a DVD layout together.

– To all our fans and readers, be sure to check out Dr. Sabrina’s return and some more interesting letters to her on the last page of the issue. – the Editors.

When you think of Florida seniors, do images of blue hair and walkers come to mind? Well, that's just not the case with this self-professed sexy cougar – Christy Cougar.

Christy was farm-raised during the era of WW II by a mother who cared about what she fed her little girl. That she got plenty of exercise and that she carried those health-conscious efforts into her adult life. We think all that shows and then some.

Proud of her well-toned body, Christy is not ashamed to show it all off. She exercises regularly and stays away from unhealthy things. She takes extra pride in keeping her pussy clean shaved and inviting for her lovers. She had a male lover to thank for her introduction to clean pubes and has liked the feeling ever since. This positive and open-minded attitude had been with her throughout her life. This applies especially to her sex life. When we asked – her reply was, "Yes! My sex life is happy and fulfilling! I think that an overall positive attitude does wonders for anyone's health and appearance."

Christy Cougar

Christy loves being so hot & sexy at 67. She has done it all and feels she can share those experiences without reservation. Her healthy attitude transcends into her sex life and she pursues it with great joie-de-vie. Her men are much younger, a fact that we can all take to heart, and she loves being the instigator. She knows what she wants in her men. A wisdom brought on by years of experience. If you want to experience more of this voluptuous vixen, visit her at www.christycougar.com.
